

Anonymised data export / benchmarking

- Data export for SWEET-benchmarking

Anonymised data export / benchmarking

- Data export for SWEET-benchmarking

The screenshot shows a file export dialog box with the following elements and annotations:

- Destination:** "Please select directory: C:\Users\rrenz\Desktop" with a blue arrow pointing to the text and the label "destination for export".
- Filename:** "Filename of anonymised data export is afdpv_Tes1_20170306.zip" with a blue arrow pointing to the filename and the label "name of export file".
- Disk Space:** A table showing disk space usage:

used disk space	332.33 GB
free disk space	132.98 GB
available disk space	465.31 GB

A blue arrow points to the "free disk space" value with the label "free disc space in destination". A green label "efficient storage space" is also present next to the free disk space value.
- Permissions:** "Write permission okay." with a blue arrow pointing to the text and the label "permission to write files in destination".
- Buttons:** A blue arrow points to the "Start" button (represented by a play icon) with the label "start export". A blue arrow points to the "Change destination" button (represented by a folder icon) with the label "change destination".

Data transfer to Ulm University

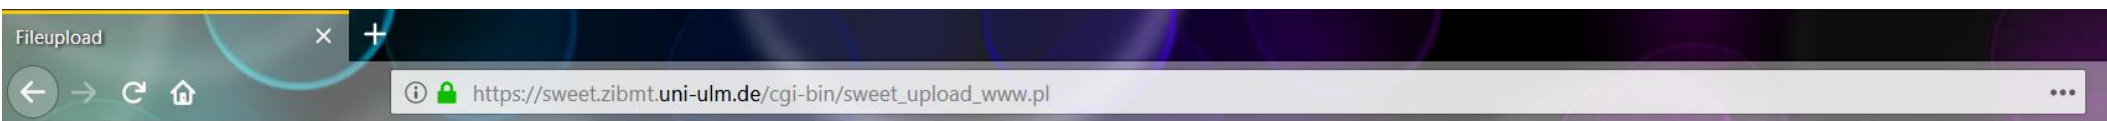

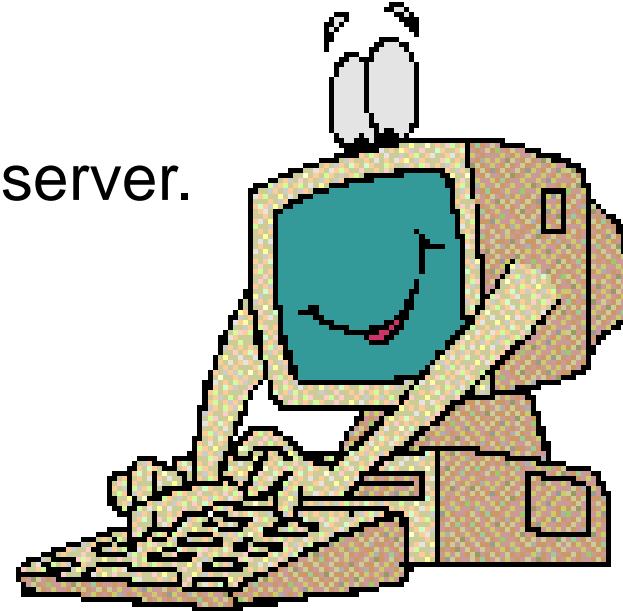

- Encrypted upload via browser to server at Ulm University:
<https://sweet.zibmt.uni-ulm.de/uploadSweet/>

The screenshot shows a Firefox browser window with the address bar displaying <https://sweet.zibmt.uni-ulm.de/uploadsweet/>. The page content includes the following elements:

- Header:** "Here you can upload a file for the SWEET-Project to the server of the Ulm University."
- Form fields:**
 - Filename:** A text input field with a "Durchsuchen..." button and a "Keine Datei ausgewählt" message.
 - E-mail:** A text input field.
 - Name of the institution:** A text input field.
- Buttons:** An "Upload file" button.
- Annotations:** Three blue arrows point to the form fields with red text labels:
 - Arrow pointing to the filename field: "choose the export file"
 - Arrow pointing to the E-mail and institution name fields: "provide your e-mail address and the name of your institution"
 - Arrow pointing to the "Upload file" button: "upload the file"
- Footnote:** "The speed of the upload depends on your connection to the internet and the workload of our server."
- Disclaimer:** "When your data has been uploaded successfully, this site will be refreshed. No additional e-mail confirming the upload will be sent to you."

Data transfer to Ulm University

The file will be transferred to our server.
This may take a while.

The file Test_SWEEET.txt has been uploaded successfully.

No additional e-mail confirming the upload will be sent to you.

The integrity of your data will be checked as soon as possible. We will contact you if there are any problems.
